

rent determination must be made when submitting a request for retroactive payments, as described in § 888.315. If no claim for retroactive payments is made, an owner may submit only the request for a one-time rent determination, provided the owner is eligible for retroactive payments. The new Contract Rent under this provision will be the greater of:

(1) The Contract Rent currently approved by HUD (or the Contract Administrator); or

(2) An amount equal to the applicable AAF multiplied by the Contract Rent minus debt service, calculated for each year from October 1, 1979, to May 31, 1991.

(b) *Currently approved rent.* The Contract Rent currently approved by HUD (or the Contract Administrator) is the Contract Rent stated in the most recent amendment to the HAP Contract signed by both HUD (or the Contract Administrator) and the owner, or as shown on HUD Form 92458 (Rental Schedule) if the most recent amendment to the HAP Contract cannot be located.

(c) *Effective date of new Contract Rent.* The new Contract Rent, determined under paragraph (a) of this section, will be effective on May 31, 1991.

Subpart D—Retroactive Housing Assistance Payments for Moderate Rehabilitation Projects

SOURCE: 56 FR 20085, May 1, 1991, unless otherwise noted.

§ 888.401 Purpose and scope.

(a) *Purpose.* This subpart describes the basic policies and procedures for the retroactive payment of Housing Assistance Payments to eligible project owners for the period from October 1, 1979 to May 31, 1991 and a one-time Contract Rent determination for such eligible project owners.

(b) *Applicability.* This subpart applies to all Moderate Rehabilitation projects under 24 CFR part 882, subparts D, E, and H.

(c) *Eligible project owners.* Project owners may be eligible for retroactive

payments if, during the period from October 1, 1979 to May 31, 1991:

(1) The use of a comparability study by the Public Housing Agency (PHA) as contract administrator, which was conducted as an independent limitation on the amount of rent adjustment that would have resulted from use of the applicable AAF, resulted in the reduction of the maximum monthly Contract Rents for units covered by a Housing Assistance Payments (HAP) contract or resulted in less than the maximum increase for those units than would otherwise be permitted by the AAF; or

(2) The project owner certifies that a request for an annual rent adjustment was not made because of an anticipated reduction of the maximum monthly Contract Rents resulting from a comparability study.

§ 888.405 Amount of the retroactive Housing Assistance Payments.

(a) *Recalculating the total rent adjustment.* To establish the amount of the retroactive HAP payment for which a project owner meeting the criteria in § 888.401(c) is eligible, the total rent adjustment will be recalculated for the period from October 1, 1979 to May 31, 1991. Rents for that period will be recalculated, under the procedures set out in 24 CFR 882.410(a)(1), by applying the AAF for any affected year, and recalculating the rents for the remainder of the period as necessary. For each year thereafter, all rent adjustments made at the request of the owner at the time will be recalculated, under the procedures in 24 CFR 882.410(a)(1), to account for the new adjustments.

(b) *Calculating the retroactive payment.* HUD will pay, through the PHA, as a retroactive Housing Assistance Payment the amount, if any, by which the total rent adjustment, calculated under paragraph (a) of this section exceeds the rent adjustments actually approved for the same time period.

(c) *Occupancy rate.* (1) Retroactive payments will be made only for units that were occupied, based on average occupancy rate, including units qualifying for vacancy payments under 24 CFR 882.411, during the time period from October 1, 1979 to May 31, 1991.

(2) When requesting a retroactive payment, a project owner must, if the

information is available, submit documentation of occupancy rates, on either an annual or monthly basis, for the same time period. The average occupancy rate will be based on these records. If records are unavailable for the full time period, the PHA will establish an average occupancy rate, to be used for the entire period, from the occupancy rate for the three years immediately preceding May 31, 1991.

(d) *Revised AAFs.* For any year during the period from October 1, 1979 to May 31, 1991, where a HUD field office published a revised Annual Adjustment Factor that replaced the applicable AAF for a specific locality under 24 CFR 888.204, the revised Annual Adjustment Factor, which applied to all projects in that area, will be used to recalculate the total rent adjustment under paragraph (a) of this section, and to establish the amount of the retroactive payments.

(e) *Special adjustments.* When calculating the total rent adjustments and establishing the amount of the retroactive payments under paragraphs (a) and (b) of this section, any special adjustments granted under 24 CFR 882.410(a)(2) during the period from October 1, 1979 to May 31, 1991, to reflect substantial general increases in real property taxes, assessments, utility rates, utilities not covered by regulated rates, or for special adjustments for any other purpose authorized by a waiver of the regulations, will be deducted from the base rent before applying the AAF.

(f) *AAFs less than 1.0.* For any area where an AAF of less than 1.0 was published, a factor of 1.0 will be used to recalculate the total rent adjustments and to establish the amount of the retroactive payments under paragraphs (a) and (b) of this section.

§ 888.410 Notice of eligibility requirements for retroactive payments.

(a) *Notice of eligibility requirements.* PHAs will give written notice to all current owners of projects, for which they are the Contract Administrators, of the eligibility requirements for retroactive payments. Eligible project owners must make a request for pay-

ment or a request for a one-time contract determination within 60 days from the date of the notice.

(b) *Request for payment.* (1) Owners eligible for retroactive payments under § 888.401(c) must submit a request for a calculation of the total rent adjustments and the establishment of the amount of the retroactive payment, as described in § 888.401 (a) and (b), and documentation of the occupancy rate for the period from October 1, 1979 to May 31, 1991, if available.

(2) Owners claiming eligibility under § 888.401(c)(2) must certify that a request was not made because of an anticipated reduction in the Contract Rents as a result of a comparability study. The certification must contain the year or years upon which the request for payment is based and a statement of the basis for the belief that rents would have been reduced.

(3) Retroactive payments will be made to owners over a three-year period as funds are appropriated for that purpose. When funds are available for payment, HUD will publish a FEDERAL REGISTER Notice containing procedures for claiming payments.

(c) *Request for one-time contract rent determination.* When making a request for payment, eligible owners may also request a one-time contract rent determination, as described in § 888.420. Eligible owners may request a one-time contract rent determination even if they choose to forgo receiving retroactive payments, provided they are eligible for retroactive payments.

(d) *Transfer of ownership since October 1, 1979.* Eligible owners requesting retroactive payments must certify that they are entitled to the entire amount of the payment. Any owner who is unable to certify must present documentation of an agreement between the current and former owners of the proportionate share of the payment for which each is eligible.

§ 888.415 Restrictions on retroactive payments.

(a) *Restrictions.* Retroactive payments are subject to all regulations, procedures, or restrictions that apply to Housing Assistance Payments.
